

ENVIRONMENTAL POLICY

Farnham Developments Pty Ltd provides Commercial and Domestic Design and Construction. Protecting the environment is an integral part to our success and are the combined responsibility of all employees and subcontractors.

The management and employees are committed to reduce the business' environmental impact and to meet the requirements of ISO 14001:2015.

The objectives of this policy are to:

- Protect the environment by reducing the business' impact
- Comply with ISO 14001:2015
- Continual improvement of environmental performance
- Achieving legal and regulatory compliance to regulators and government
- Elimination of minor incidents
- Maintain 0 reportable incidents

The purpose of the IMS is to improve customer satisfaction, eliminate incidents and protect the environment.

The IMS enables Farnham Developments Pty Ltd to achieve their quality, safety and environmental objectives and strategy by measuring continual improvement of the IMS itself and the business' performance.

Farnham Developments Pty Ltd continuously monitors the IMS through processes and management reviews to ensure its on-going suitability and achieve excellent performance.

Management will review this policy regularly at management review meetings and the IMS as a whole to ensure its continuing suitability.

A handwritten signature in blue ink, appearing to be 'P. Farnham', is written over a dotted line.
